Teaching Program Chinese Language and Literature

1. Educational aims

   The four-year curriculum equips graduates with ~~breadth of~~ knowledge about language and literature, plus skills of writing and literary creation required in the workplace.

   In addition, it is designed to enable our students to develop their capabilities in upholding personal and professional ethics. Graduates are in demand in both the private and public sectors, such as government, press media, schools, assuming   posts including publicity, management, secretary, advertisement writing, editing, creative planning and teaching.

2. Duration : 4-Year Curriculum

3. Degrees Conferred: Bachelor of Arts

4. Credit Requirement

   The minimum requirement for Bachelor of Arts in Chinese Language and Literature is 154 credits, including 48 credits for compulsory common courses, 9 credits for limited optional common courses, 41 credits for basic courses, 18 credits for compulsory major courses, 24 credits for elective major courses,14 credits for comprehensive application. In addition, it is also required to obtain 10 credits for quality enhancement and take psychological education of undergraduates course.

5.Requirements for Students from Hong Kong, Macao and Taiwan

   According to the Education Department of Guangdong Province, the students from Hong Kong, Macao and Taiwan need not take courses

from the sections of "Education of National Defense" and "Theory of Ideology and Politics". The students should strictly follow the teaching program, taking courses ~~of~~ in the other sections.

6. Requirements for Overseas Students

According to the Ministry of Education an Education Department of Guangdong Province, overseas students need not take courses from the section "Education of National Defense". Oversea students of economic disciplines should take courses of political theory, while the students of other disciplines could apply to be excused from it. The oversea students who receive education with record of formal schooling should take courses "Chinese" and "A Survey of China". Other courses should be taken strictly according to the teaching program.
