

Teaching Program for Accounting Major

(2015)

1. Training Goal: Accounting Major is designed to equip students with a solid foundation in accounting theories and knowledge, develop critical and analytical skills, master the fundamental professional knowledge and techniques, apply accounting theories and analytical skills in theory and practice, and to cultivate full-competence as accounting students and professionals.

2. School Year: 4 years full-time

3. Degree Awarded: Bachelor of Administration

4. Credit Requirements: The students should obtain 155 credits (off-class credits not included), including liberal compulsory courses for 53 credits, liberal optional courses for 9 credits, the foundational courses for 41 credits, compulsory courses for 32 credits, optional courses for 10 credits and synthetically applied courses for 10 credits. In the meantime, students should obtain 10 credits from off-class programs, and take the course “Health Education for Undergraduates”.

5. Requirements for Students from Hong Kong, Macao and Taiwan

According to the Education Department of Guangdong Province, the students from Hong Kong, Macao and Taiwan need not take courses from the sections of “Education of National Defense” and “Theory of Ideology and Politics”. The students should strictly follow the teaching program, taking courses in the other sections.

6. Requirements for Overseas Students

According to the Ministry of Education and Education Department of Guangdong Province, overseas students need not take courses from the section “Education of National Defense”. Overseas students of economic disciplines should take courses of political theory, while the students of other disciplines could apply to be excused from it. The overseas students who receive education with record of formal schooling should take courses “Chinese” and “A Survey of China”. Other courses should be taken strictly according to the teaching program.

7. Teaching Schedule
